### Invitation for Young Future Energy Leaders (YFEL) 2025 Program Participation

Khalifa University is pleased to invite your esteemed institution to recommend distinguished students for the Young Future Energy Leaders (YFEL) 2025 Program. This initiative is designed to educate, inspire, and elevate the next generation of leaders, empowering them to address global challenges in advanced energy and sustainability.

Established in 2010 under the patronage of His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the United Arab Emirates and Ruler of Abu Dhabi, YFEL provides participants from the UAE and around the world with an unparalleled experience in inspiration and guidance.

YFEL Program is a crucial part of the annual World Future Energy Summit (WFES), held during Abu Dhabi Sustainability Week (ADSW) from 14-16 January 2025. During this summit, new YFEL members will interact with global leaders in energy, sustainability, and governance, participating in key discussions about the future of energy and developing sustainable solutions to combat climate change.

Beyond WFES, YFEL provides an extensive calendar of enriching events and workshops throughout the year, including:

- Focused workshops on Future Leadership, Cube Satellite Technology, and Sustainable Robotics.
- Innovative sessions on Energy Harvesting Techniques and Advanced Space Mining Protocols.
- Signature events such as the Annual Conference and the Case Study Competition.

We warmly invite you to recommend outstanding students from your institution for the YFEL 2025 program. The selection process is highly selective, with the following eligibility criteria:

- Age between 20 to 25 years
- Proof of a Grade Point Average of 3.50 or above on a scale of 4.00, or equivalent
- An undergraduate degree (or pursuing one) / Master's degree at an accredited academic institution
- A statement reflecting personal and/or academic qualifications for YFEL
- A statement reflecting interest in the renewable energy fields
- Completion of the online application form with all necessary documents attached
- Candidates who meet the criteria will be invited for an interview as part of the selection process.

To apply, please use the following link: <https://pgapply.ku.ac.ae/register/YFEL-2025>. The deadline for applications is 1<sup>st</sup> October 2024. For more information, please contact our YFEL Program focal point, Hafsa Al Mansoori, by phone at +971 2 312 4089 or via email at [yfel@ku.ac.ae](mailto:yfel@ku.ac.ae).

Thank you for your cooperation.

Best regards,
