

Japan-ASEAN online Program toward SDGs

# INTERCULTURAL EXCHANGE ONLINE WORKSHOP

## FEBRUARY

## 17-20, 2025

## 16:45-18:45 JST

### Action Students Can Take on

## Environmental Issues

As part of the mutual exchange between the Six National Universities and AUN, a four-day online training will be held for students from AUN member universities and the Six National Universities.

### Objectives

As extreme heat and abnormal weather caused by global warming have become global problems, interest in environmental issues is growing toward the realization of a sustainable society.

Focusing on environment-related goals among the SDGs, we will consider environmental issues from a familiar perspective and discuss actions that students can take. This will deepen mutual understanding and empathy by recognizing differences in cultures, values, and other aspects of each country, and by respecting each other as individuals.

### Schedule

Day 1	Opening Ceremony Lecture Group work
Day 2	Individual work Group Work
Day 3	Group work Creation of presentation
Day 4	Presentation Closing Ceremony

Number of participants: about 50  
(30-40 from AUN, 10-20 from SixERS)

Language: English

Course fee: Free
